« ABOUT CARE »

CARE Group of Institutions is located in a serene atmosphere. The college offers excellent educational facilities for the dynamic and industrious students. The entire campus is built as a green campus, with abundance of natural light and breezy ventilation. The campus is designed with the philosophy that open spaces create open minds, thus leading to creative thinking and innovation. CARE Group of Institutions is an eco-friendly environment amid the sparkling beauty of nature. The campus has around 1.5 Lakh sq.ft of built-up space within a sprawling 50 acres campus. The Institution is only just 7 km from Trichy Railway Station and Bus-Stand. CARE Group of Institutions is approved by AICTE and affiliated to ANNA UNIVERSITY, CHENNAI. A team of highly qualified and experienced faculty members contribute their very best giving individual attention and careful grooming of the students by providing them with ample opportunities to become winning personalities.

« INTRODUCTION »

National Conference on Emerging Trends in Civil Engineering will be held on 13-14 of February 2018 at CARE Group of Institutions. The aim of this conference is to provide a platform for the Researchers, Engineers, Academicians and students to share their area of research and to gather knowledge about the recent innovations and trend/development in the Civil Engineering field. Innovative

ideas for further research and state of art articles pertaining to government initiatives are also welcome.

« CONFERENCE THEMES »

Structural Engineering
Construction Management
Geotechnical Engineering
Water Resources Engineering
Hydrology
Irrigation Engineering
Transportation Engineering
Remote Sensing and GIS
Environmental Engineering
Coastal Engineering

« REGISTRATION »

Candidate should complete the conference registration form and send them to the coordinator.

Industry Delegates	₹ 1000
Research Scholars and Academicians	₹ 500
Students and Participants	₹ 300

Payment shall be made in the form of DD drawn in favor of "CARE Group of Institutions", Tiruchirappalli.

« DATES TO REMEMBER »

Last date for receiving the completed application form is on or before : **03.02.2018**
Confirmation of Participants : **05.02.2018**

« BOARDING & LODGING »

Participants who need accommodation in the campus will be provided on request (on payment), at CARE Group of Institutions Hostel.

« PROCEEDINGS »

The conference proceedings will be given in the form of CD to all the participants at the time of registration. Manuscript must be typed in 12 pt Times New Roman font and in IEEE format. Selected papers will be published in journals with nominal fee.

« WORKSHOP »

The conference is followed by a post-conference workshop on Construction Project Management (CPM) and Building Information Modeling (BIM), held at CARE Group of Institutions organized by Civil Simplified [www.civilsimplified.com]. Participants should submit a separate registration fee and form to the coordinator.
